

FOR TODDLERS

# EXCURSIONS

# EXCURSIONS

## **Objective**

By going on excursions to an outdoor area, the children develop basic motor skills through movement and playing in nature.

## **Equipment**

No equipment required.

## **Instructions**

1. Go on an excursion to an area where the youngest children can play around freely. Motivate the children to run, walk and climb over tree stumps and stones, walk/crawl up and down slopes, etc.
