

FOR TODDLERS

# THROW BALLS AT CONES

# THROW BALLS AT CONES

## **Objective**

This activity challenges the children's ball skills.

## **Equipment**

Balls

Cones

## **Instructions**

1. Place cones on the floor/ground.
2. Let the children throw balls at the cones to try and knock them down.
3. Stand the cones up and let the children try again.

## **Variation**

- To vary the difficulty level, the cones can be placed more closely together or more spread out or the distance from which the children shall throw can be changed.
